Spring had barely come and I found myself alone
With you went my dreams and everything I own
I guess like flares and Celtic tattoos
I'm out of style, I'm yesterday's news

And what you haven't taken,
I've given away
Some things you share forever,
Well what more can I say?

It's time to name the saddest tune
Cowboy Junkies blue moon
It's time to name the saddest tune
Cowboy Junkies blue moon

I'm wasting all my time, hurting on loves crime
The world I through I knew has shown another side
Gonna smoke away all of my regrets
In a sad blue haze, but I'll never forget!

And every friend I've ever had
Who liked it blue, who liked it sad
Would know where I was at right now
Would know my song there anyhow
It's time to name the saddest tune
Cowboy Junkies blue moon
It's time to name the saddest tune
Cowboy Junkies blue moon

Well I've tried do hard, yes I've tried so hard
Not to cry this time
There's a river running through my head
And the tears are mine, the tears are mine

Every friend I've ever had
Who liked it blue, who liked it sad
Would know where I was at right now
Would know my song there anyhow

It's time to name the saddest tune
Cowboy Junkies blue moon
It's time to name the saddest tune

Cowboy Junkies blue moon
