My roots run deep down a dirt road
Rough and tumbles in my blood
I was raised to make my own way, the hard way
Life knocks me down, I get back up

But don't be fooled by my independence
I'm not so tough in love

So, baby, baby my heart
Just a little
Treat it like it's gonna break
If you let it go

And baby, be soft with me
Tell me you love me, you'll take good care of me
I wanna feel safe in your arms
So, baby, baby my heart

So, don't worry about the world in my face
The bad days, I know how to laugh and deal with that
Yeah, I'm a big girl but I had my moments when
I feel fragile, I need you to hold me

And, baby my heart
Just a little
Treat it like it's gonna break
If you let it go

And baby, be soft with me
Tell me you love me, you'll take good care of me
I wanna feel safe in your arms
So, baby, baby my heart

Baby, my heart
Just a little
Treat it like it's gonna break
If you let it go

And baby, be soft with me
Tell me you love me, you'll take good care of me
I wanna feel safe in your arms
So, baby, oh baby, baby my heart

Please, baby my heart
