I choose to trust You
Even through the fire
Even when my eyes can't see
I know You're right beside me
I will always praise You Lord
No matter what may come
You are always faithful to me

(Chorus:)

So I will dream
And I'll believe
That what You've promised
Soon I will see
Soon I will see

It's just a matter of time
Till I see Your face
Till I dance in Your presence
And sing out Your praise
It's just a matter of time
Till I hear You say
Well done

I surrender
To Your will
To Your way
To Your plan
All I have
And all I am
All I am

(Chorus)

It's just a matter of time
Till I see Your face
Till I dance in Your presence
And sing out Your praise
It's just a matter of time
Till I hear You say
Well done
