[1st Verse]

I can't believe you'd do that to me  
Use me  
You've fooled around and a'wrecked my heart  
She's just a skank rode hard and put up  
Well, good luck

[Pre Chorus]

I would've given you the finger on my left hand  
The one that you use for a wedding band

[Chorus]

(But) (And) now I'm givin' you  
The one in the middle  
The one that's a little bit longer  
And I got another one  
On my other hand  
So I can say it even stronger  
If you're askin' if I'm done  
Well, I'm sure not sayin' you're number one  
(No, now I'm givin' you)  
(The one in the middle)  
(The one that says we're through)

[2nd Verse]

I hope you're happy with your sad life  
That's right  
I hope you get what you deserve  
And when you're tired of TV dinners  
Remember

[Repeat Pre Chorus]

[Repeat Chorus]

[Bridge]

Well, you made your bed

So go lay in it  
And you forced my heart and hands  
To the limit

[Spoken]

Ah, yeah, I've had it with you, darlin'  
That's right

[Repeat Chorus]

[Spoken]

Oh, yeah, read between the lines, baby  
Um, hmm
