I heal my soul

I heal my mind

Yes, I'm changing

I'm making so steady

I grow closer to have my hopes faded.

I draw the curtains

I leave this party

Sounds are dying down

(I heal my mind

(I heal my soul)

I press a pause

And my soul and body

Put together now.

(I heal my mind

(I heal my soul)

I draw the curtains

I close the doors

I leave all friends behind

(I heal my mind

(I heal my soul)

I heal my soul

I heal my mind.

Yes, I feel tired

Subjecting myself to critics

There won't be another heartache I should live with.

I draw the curtains

I leave this party

Sounds are dying down

(I heal my mind

(I heal my soul)

I press a pause

And my soul and body
Put together now.
(I heal my mind
(I heal my soul)
I draw the curtains
I close the doors
I leave all friends behind
(I heal my mind
(I heal my soul)
I heal my soul
I heal my mind.
