Who am I?
That You came to earth for me
To die on a tree
And who are You, Son of man, Son of God
Yes, I believe it's true

More than words I bring to You
May all I say and may all I do be

Hallelujah, Hallelujah
May everything about me be
Hallelujah to my King

Hallelujah, Hallelujah
May everything about me be
Hallelujah

All of me
I surrender completely
Take control
I want all of You
And I'm letting go

I am healed and I'm forgiven
I am free because I'm living

Hallelujah, Hallelujah
May everything about me be
Hallelujah to my King

Hallelujah, Hallelujah
May everything about me be
Hallelujah

And it's all so clear, and it's all so clear
I was born to worship
And it's all so clear, and it's all so clear
I was born to worship

Hallelujah, Hallelujah
May everything about me be
Hallelujah

Hallelujah
