And I choose to trust You
Even through the fire
And even when my eyes can't see
Yes, I know Your right beside me

And I will always praise You, Lord
No matter what may come
'Cause You are always faithful to me

So I will dream and I'll believe
That what You've promised
Soon I will see, yeah, soon I will see

And it's just a matter of time
'Til I see Your face
'Til I dance in Your presence
And sing out Your praise
It's just a matter of time
Till I hear You say, ?Well done?

And I surrender, to Your will
To Your ways, to Your plan
All I have and all I am, all I am

So I will dream and I'll believe
That what You've promised
Soon I will see, yeah, soon I will see

And it's just a matter of time
'Til I see Your face
'Til I dance in Your presence
And sing out Your praise
It's just a matter of time
Till I hear You say, ?Well done, well done?

And it's just a matter of time
'Til I see Your face
'Til I dance in Your presence
And sing out Your praise
It's just a matter of time
'Til I hear You say, ?Well done, well done?

It's just a matter of time
It's just a matter of time
It's just a matter of time
It's just a matter of time
