Something's different
Something I can't explain
Can you feel it?
Can you hear it?

The sound of heaven
Is pouring on us like rain
Nothing is the same

Fresh anointing fall
Let it overflow
On every heart and soul
Holy Spirit come

Come and make us new
All we want is You, only You
You are all
Fresh anointing fall

Hands are lifted
We are singing Your name
Can you feel it?
Can you hear it?

The song of freedom
Is spreading just like a flame
It can't be contained

Fresh anointing fall
Let it overflow
On every heart and soul
Holy Spirit come

Come and make us new
All we want is You, only You
You are all
Fresh anointing fall

Throw away the old
We are on our knees
Let the new unfold
God, we want to see

Your fresh anointing fall

Fresh anointing fall
Let it overflow
On every heart and soul
Holy Spirit come

Come and make us new
All we want is You, only You
You are all
Fresh anointing fall
Fresh anointing fall
