If love was a word i dont understand,  
simplest sound with four letters,  
whatever it was i am over it now,  
with everday it gets better gets better.

Are you loving the pain,loving the pain,  
and with everyday everyday,  
i try to move on ,  
whatever it was,whatever it was,  
theres nothing now you changed new age.

I am walking away from everything i had,  
i need a room with new colors,  
there was aa time,  
when i didnt mind living the life of others.

Are you loving the pain,loving the pain,  
and with everyday everyday,  
i try to move on ,  
whatever it was,whatever it was,  
theres nothing now you changed new age.

So much fire that it burned my wings,  
her heat was amazing,  
now i'm dreaming of the simple things.  
Old ways erased.

If love was a word,i dont understand,  
simplest sound with four letters.

Are you loving the pain,loving the pain,  
and with everyday everyday,  
i try to move on ,  
whatever it was,whatever it was,  
theres nothing now you changed new age.

Love is a pain,love is a pain

and with everyday everyday,  
i try to move on ,  
whatever it was,whatever it was,  
theres nothing now you changed new age.
