The beat is pumping
My heart's jumping for
a girl I've yet to meet

Sitting on the side,
as she tries hard to hide,
I see her tapping her feet

I walk over and say
"How about you and me
get up onto that dance floor"

She replies with a "yes"
This night is one of the best
I've ever had so far, so

Tonight (tonight)
Don't try to hide it baby
You can't deny this cause
Tonight (tonight)
We're gonna shake it baby
We're gonna dance all night

And almost instantly
I could tell he's for me
the way he looks into my eyes

I wonder why I've never met him at all
Before tonight (before tonight)

And as we start to dance
he begins to glance
into my eyes again

I think I'm falling for him (I think I'm falling for her)
I think he's falling for me (I think she's falling for me)
I think I'm thinking too much
I think it's time to DANCE!

Tonight (tonight)
Don't try to hide it baby

You can't deny this cause
Tonight (tonight)
We're gonna shake it baby
We're gonna dance all night
Don't try to hide it baby
You can't deny this cause
Tonight (tonight)
We're gonna shake it baby
We're gonna dance all night
