I overheard the fight you had  
Those tears that you wipe away keep comin' back  
It burns me up; it makes me mad  
How long you gonna make your heart put up with that

I can't tell ya how to live your life  
To me, it's plain as black and white  
But it's your choice, so you decide

I'm just sayin' you can walk away  
You don't have to wear that ball and chain  
Love's not supposed to make you hurt  
Don't settle for less than you deserve  
I'm just sayin', girl, if you were mine  
I'd love ya good, and treat ya right  
The last thing that you'd feel is your heart breakin'  
I'm just sayin'

Am I wrong; is there somethin' that I missed  
Now, isn't he the king of breakin' promises  
I know I'm no saint; I can't rope the moon  
But you'll never wonder if I'm comin' home to you

You need to be where you belong  
I hate to see you holdin' on  
To somethin' that's already gone

I'm just sayin' you can walk away  
You don't have to wear that ball and chain  
Love's not supposed to make you hurt  
Don't settle for less than you deserve  
I'm just sayin', girl, if you were mine  
I'd love ya good, and treat you right  
The last thing that you'd feel is your heart breakin'  
I'm just sayin'

I can't tell ya how to live your life  
To me, it's plain as black and white  
But it's your choice, so you decide

I'm just sayin' you can walk away

You don't have to wear that ball and chain  
Love's not supposed to make you hurt  
Don't settle for less than you deserve  
I'm just sayin', girl, if you were mine  
I'd love ya good, and treat you right  
The last thing that you'd feel is your heart breakin'  
The last thing that you'd feel is your heart breakin'  
I'm just sayin'

I'm just sayin'  
I'm just sayin'
