Beautiful

When I'm with You I see the world in a different way
You shine so bright
When I'm close to You I feel the way that You really are
It moves my heart

You make me want to be so beautiful
You make me want to be just like You
Beautiful

Beautiful
Beautiful

I think about You and how You change everything You
touch
I love You so much
You amaze me You lift me up to a higher place
Put a smile on my face

You make me want to be so beautiful
You make me want to be just like You
You make me want to be so beautiful
You make me want to be just like You
Beautiful

Beautiful
Beautiful
Beautiful
Beautiful

You make me want to be so beautiful
You make me want to be just like You
You make me want to be so beautiful
You make me want to be just like You
Beautiful, beautiful, beautiful, beautiful, beautiful

Beautiful
Beautiful
Beautiful
Beautiful
