It was an endless summer
I remember you were there
Just to win my heart

Should've never ended
I'm undefended
I was yours, I was safe
I want that again

Hide me in your love again
Be my sanctuary
Hide me in your love

When you cover me
Then my heart is free
Hide me in your love

There was a fire burning
As the leaves were turning
I moved on
But no one took your place

Nothing stirred the passion
Now I'm asking
Take my heart, make it yours
I want you again

Hide me in your love again
Be my sanctuary
Hide me in your love

When you cover me
Then my heart is free
Hide me in your love

Hold me closer, need to feel you
Want to know you're by my side
Be my shelter, love forever
Hide me in your love

Hide me in your love again
Be my sanctuary

Hide me in your love
When you cover me
Then my heart is free

Hide me in your love again
Be my sanctuary
Hide me in your love
When you cover me
Then my heart is free
