I swear I wanna be with you tonight
You gotta show me what is wrong or right
Because I never felt this way before
I wanna feel you now in my life
In my life, get a life,

Get a life, get a life
Why don't you take my life
Take my life, take my life

You have to get a life
Get a life, get a life
Why don't you take my life
Take my life, take my life.

Yette Mama, yette, yette, mama yete
Yette Mama, yette, yette, mama yete
Yette Mama, yette, yette, mama yete
Yette Mama, yette, yette, mama yete

I said I wanna be with you tonight (yeah)
You gotta show me what is wrong or right
Because I never felt this way before
I wanna feel you now in my life
In my life, get a life.

Get a life, get a life
Why don't you take my life
Take my life, take my life

You have to get a life
Get a life, get a life
Why don't you take my life
Take my life, take my life.

Yette Mama, yette, yette, mama yete

Yette Mama, yette, yette, mama yete
Yette Mama, yette, yette, mama yete
Yette Mama, yette, yette, mama yete...
