I caught you with my eyes  
the sun was in rise  
and i refused to leave you there  
Your body was so hot  
I thought to take a shot  
My summer love was in the air  
Feel the rhythm, set me free  
touch my body, dance with me  
Live with passion, hold me tight  
Kiss me now, turn off the light.

Chorus:

BABY THE SUMMER IS ON FIRE  
YOU ARE MY HOT DESIRE  
I WANNA MAKE YOU REALLY SWEAT  
BABY THE SUMMER IS ON FIRE  
YOU ARE MY HOT DESIRE  
COME ON AND MAKE ME REALLY WET.

Tonight i am gonna kiss you  
cause i don't wanna miss you  
you are my summer sexy love  
My feelings are so strong  
The night will be so long  
The summer makes me fall in love  
Feel the rhythm, set me free  
touch my body, dance with me  
Live with passion, hold me tight  
Kiss me now, turn off the light.

Chorus:

BABY THE SUMMER IS ON FIRE  
YOU ARE MY HOT DESIRE  
I WANNA MAKE YOU REALLY SWEAT  
BABY THE SUMMER IS ON FIRE

YOU ARE MY HOT DESIRE  
COME ON AND MAKE ME REALLY WET

I know you feel the same  
I want to know your name  
Lets go and fly away tonight  
come on give it a try  
i tell you won't be lie  
Your senses gonna fly tonight  
Feel the rhythm, set me free  
touch my body, dance with me  
Live with passion, hold me tight  
Kiss me babe, turn off the light

[Chorus:]
