Its the wrong time and the wrong place
Though your face is charming it's the wrong face
Its not his face, but such a charming face
That it's all right with me.

Its the wrong song in the wrong style
Though your smile is lovely it's the wrong smile
Its not his smile, but such a lovely smile
That it's all right with me.

Chorus:

You can't know how happy I am that we met
Im strangely attracted to you
There is someone Im trying so hard to forget
Don't you want to forget someone to?

Repeat chorus

Its the wrong game, with the wrong chips
Though you lips are tempting they're the wrong lips
They're not his lips but they're such Tempting lips
That if some night you are free
Well it's all right, yes it's all right
Baby don't you know it's all right with me
