'til my body is dust,  
'til my soul is no more,  
i will love you, love you....

'til the sun starts to cry,  
and the moon turns to rust,  
i will love you, love you....

but i need to know,  
will you stay for all time  
forever and a day

then i'll give my heart  
'til the end of all time  
forever and a day...

and i need to know,  
will you stay for all time  
forever and a day?  
then i'll give my heart  
'til the end of all time  
forever and a day

'til the storms fill my eyes,  
and we touch the last time,  
i will love you, love you  
i will love you, love you  
i will love you, love you....
