Oh man, I think I did it again
Oh man I think I messed up the plan
And he calls whenever he please
And IÂ'll get on my knees
Oh man, oh man, oh man

Oh jees, here come the secret police
The rochester peeps, theyÂ've got no time for me
And he calls whenever he please
And IÂ'll get on my knees
Oh man, oh man, oh man

Guitar/drum riff

Oh no, weÂ're at the sarah harmer show
SheÂ's coming up next you know
What else rhymes with show?
And he calls whenever he please
IÂ'll get on my knees
Oh man, oh man, oh man

Drum/guitar riff

Oh no, oh no oh no!

Oh man, Oh man, Oh manÂ...
