"Cry Out To Jesus"

Stop and analyze your goal in this life; What is
important to you and what is true in this world.
You'll get no peace from material things, no matter
how much we have,
we always seem to want more.

It doesn't matter how much money you make, what
kind of car that you drive, you need to rise above.

They say success is all in who you know, I'm going to
have to agree,
I know a God of love!

We are born into a world of pain, it's never ever going
to change always stayin' the same.
It makes you question what it is you believe; How much
worse can it be,
this world can drive you insane!

Bridge

I found a diamond in this lump of coal; I found a Savior
who can pardon my soul.
My name is written in the book of life; Washed in His
blood, he died to pay my price!

Chorus

His name is Jesus, she called Him Jesus;
Cry out to Jesus, His love will save us!
His name is Jesus, she called Him Jesus;
Cry out to Jesus, His love will save us!

I'm never ever goin' to waste my time, getting' stoned
half out of my mind.
I'm getting' high on life and rock and roll since I
opened my eyes and Jesus saved my soul!

Let me tell you my friends, you need to learn.
Better change your ways or you're going to get burned.
You need to give it all up to Him,
because I'm having a blast you'll be glad you did!
