"Please Go Home"

I'm lost inside
Hands holding tight
Eyes can't move on
Please go home,
Please go home

Unwanted heart
Eyes watch me now
Don't come alone
Please go home,
Please go home
My son

Dreams stalked in night
Think always twice
Stars going high
Please go home,
Please go home

Remember that
Love fills my core
Fear hurts so much
Please go home,
Please go home
My son

Please go home,
Please go home
Please go home,
Please go home
My son
