If the Spirit makes you want to move, let Him move you!  
If the Spirit makes you want to move, let Him move you!

Throw your hands in the air, reach up to the sky!  
Throw your hands in the air, reach up to the sky!

If the Spirit makes you want to move, get up and  
testify!

Stand up for Jesus, stand up for Jesus.  
When you feel the Spirit start to move, it makes you  
wanna get down.  
Makes you wanna get down.

(Repeat)

Come on and praise Him, praise Him, praise His name.  
Praise Him, praise Him, praise His name.  
Praise Him, praise Him, praise His name out loud.  
Makes you wanna get down.
