I just can't get through to you
Whatever I do to you
I keep trying over and over again
But you keep lookin' through me
Like you never knew me
Over and over and over again

And I know you don't care
You pretend that I'm not there
I've done everything I can
And I just can't understand

[chorus]:
Baby can't you feel my love
Baby can't you feel my love
Baby can't you feel my love
Reaching out to you

I can't get you off my mind
I think of you all the time
Over and over and over again

But I know you don't care
You just pretend that I'm not there
I've done everything I can
And I still can't understand

Baby can't you feel my love
Baby can't you feel my love
Baby can't you feel my love
Reaching out to you

[Repeat Chorus] 2X
