The first time I saw you, you looked so fine
I knew I had to make you mine
I didn't know that you were the kind
To let me down

It didn't take me so long to find out
What my friends were all talkin' 'bout
And I know now, there ain't no doubt,
You've been foolin' around

Oh baby baby,
Why'd I have to fall in love with you?
When you can't be true
To just one man
Baby baby
Why'd I have to fall in love with you?
The changes you put me through
Oh you'll never understand

Sometimes I wonder what I'm waiting for
Why don't I just walk out the door?
'Cause I can't take it anymore
This hurtin' inside

Oh, but baby I guess you know
I'm hooked on you and I can't let go
No matter how much you hurt me so
I couldn't leave you if I tried

Baby baby,
Why'd I have to fall in love with you?
When you can't be true
To just one man
Baby baby
Why'd I have to fall in love with you?
The changes you put me through
Oh no, you'll never understand

I said baby baby,
Why'd I have to fall in love with you?
You know you can't be true

To just one man
I said baby baby
Why'd I have to fall in love with you
The changes you put me through
Oh no, you'll never understand

Oh baby baby...
