Love me or hate me, but you gotta just hear me  
Listen to superthug, listen to sometimes  
Listen to halfbaked, and listen when thugs rhyme  
I aint the best yet, but i'm next in line  
It's like rhyme and reason, but my reason at rhyme  
It's like rhyme and reason, but my reason at rhyme  
It's like rhyme and reason, but my reason at rhyme
