Afraid to love, something that could break,  
Could I move on, if you were torn away?  
I'm so close to what I can't control  
I can't give you half my heart, and pray it makes you  
whole

You're gunna have all of me, you're gunna have all of  
me,  
Cuz you're worth every fallen tear, you're worth facing  
every fear  
You're gunna know all my love, even if it's not enough  
Enough to mend our broken hearts, giving you all of  
me is where I'll start.

I won't let sadness steal you from my arms  
I won't let pain keep you from my heart  
Trade the fear of all that I could lose, for every moment  
I share with you

You're gunna have all of me, you're gunna have all of  
me,  
Cuz you're worth every fallen tear, you're worth facing  
any fear  
You're gunna know all my love, even if it's not enough  
Enough to mend our broken hearts, giving you all of  
me is where I'll start.

Heaven broke into this moment, it's too wonderful to  
speak  
You're worth all of me, you're worth all of me  
So let me recklessly love you, even if I bleed  
You're worth all of me, you're worth all of me

You're gunna have all of me, you're gunna have all of  
me,  
Cuz you're worth every fallen tear, you're worth facing  
any fear  
You're gunna know all my love, even if it's not enough  
Enough to mend our broken hearts, giving you all of  
me is where I'll start

You're gunna have all of me,  
Cuz you're worth every fallen tear, you're worth facing  
any fear  
You're gunna know all my love, even if it's not enough  
Enough to mend our broken hearts, giving you all of  
me is where I'll start  
It's where I'll start
