Hot 'n cold running tears
Fill my eyes like falling rain,
And there's nothing I can do
To keep from crying over you.

Hot 'n cold running tears
Broke this heart of mine in two
And I'll never be the same
Till I can call your love'n name

And have you by my side
Back in my arms once more,
Giving me the love and kisses
That I've been crying for.

Hot 'n cold running tears
They fall down like rain on you
And Baby when they do,
Maybe you'll notice what I've been through
Crying those hot and cold running tears
Over you.

Hot 'n cold running tears
Fill my eyes like falling rain,
And there's nothing I can do
To keep from crying over you.

Hot 'n cold running tears
Broke this heart of mine in two
And I'll never be the same
Till I can call your love'n name.

And have you by my side
Back in my arms once more,
Giving me the love and kisses
That I've been crying for.

Hot 'n cold running tears
Fall down like rain on you
And Baby when they do,
Maybe you'll know what I've been through
Crying those hot and cold running tears

Crying those hot and cold running tears
Crying those hot and cold running tears
Over you.
