"How High The Moon"

Somewhere there's music, how faint the tune
Somewhere there's heaven, how high the moon
There is no moon above and love is far away too
'Till it comes true that you love me and I love you

Somewhere there's music, how near, how far
Somewhere there's heaven that's where you are
The darkest night would shine if you would come to me
soon
Until you will, I'll still, my heart, how high the moon

Somewhere there's music, how faint the tune
Somewhere there's heaven, how high the moon
The darkest night would shine if you would come to me
soon
Until you will, I'll still, my heart, how high the moon

The darkest night would shine if you would come to me
soon
Until you will, I'll still, my heart, how high the moon
