I'll be seeing you  
In all the old familiar places  
That this heart of mine embraces  
All day through

In that small cafe  
The park across the way  
The children's carousel  
The chestnut trees  
A wishin' well

I'll be seeing you  
In every lovely summer's day  
In every thing that's light and gay  
I'll always think of you that way

I'll find you in the morning sun  
And when the day is new  
I'll be looking at the moon  
And I'll be seeing you

I'll be seeing you  
In every lovely summer's day  
In every thing that's light and gay  
I'll always, always think of you that way

I'll find you in the morning sun  
And when the day is new  
I'll be looking at the moon  
And all I'll see is you
