You're all I need my wonderful one
You're all I need my straight and sun
A friend to walk beside me, a loving hand to guide me
A tender evening song when day is done

You're all I need for you're heaven sent
You're all I need to bring me contentment
The world is mine for you are mine, I'm rich indeed
You're all I need, you're all I need

You're all I need for you're heaven sent
You're all I need to bring me contentment
The world is mine for you are mine, I'm rich indeed
You're all I need, you're all I need
