All I wanted

I just found it in your kiss

All I needed

I just got cause you existâ€¦

Like last summerâ€¦

It's a secret kiss tonight

Like last summerâ€¦

I just want you in my life

Like last summerâ€¦

I just need you in my arms

All of my summers

I will wait for you to comeâ€¦

to comeâ€¦ to comeâ€¦

Baby I want you

like last summerâ€¦

Baby I want you

like last summerâ€¦

All I'm asking

give me a chance to prove you I'm real

Tell me babyâ€¦

Do you feel the way I feelâ€¦

Like last summerâ€¦
It's a secret kiss tonight
Like last summerâ€¦
I just want you in my life
Like last summerâ€¦
I just need you in my arms
All of my summers
I will wait for you to comeâ€¦
to comeâ€¦ to comeâ€¦
Baby I want you
like last summerâ€¦
Baby I want you
like last summerâ€¦
Baby I want you
like last summerâ€¦
Like last summerâ€¦
It's a secret kiss tonight
Like last summerâ€¦
I just want you in my life
Like last summerâ€¦
I just need you in my arms
All of my summers
I will wait you to comeâ€¦
to comeâ€¦ to comeâ€¦
Baby I want you

like last summerâ€¦

Baby I want you

like last summerâ€¦
