[Verse 1 - Nelly]

I used to pride myself on being the other man  
But now it's flipped and I don't want you with no other man  
Why can't you understand that anything I'm offering  
I gave you the world, but you just wanted arguing  
From the time I picked you up, until the time I dropped  
you off again  
Even if flipped out on at the mall again  
"It's all his fault again" that's what you tellin all ya  
friends  
I ain't pointing fingers ma, I just wanna call again  
See how ya day going I know they stressin on ya  
I know them times get hard that's why I'm checkin on ya  
It's yours truly ma, I got little message for ya  
Anything he can do, girl I can do better for ya, cause

[Bridge - Nelly]

When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We gon' still be as one it's forever  
It's forever, it's forever

[Chorus - Jaheim]

Won't you come on and go with me (come and go with  
me)  
(Oh girl) Come on over to my place (my place, my  
place)  
Won't you sit ya self down and take a seat  
And let me ease ya mind girl, we gon do it our way (our  
way)

[Verse 2 - Nelly]

I heard your friend tell a friend that told a friend of  
mine  
That you was thinking that we should do it one more  
time  
If this ain't the truth then hopefully it's not a lie  
Cause I ain't got no issue with hitting that another time

We never had a problem with gettin it done  
Disagreed upon a lot ma, but the sex wouldn't one  
Now check it I know you get excited (still) when I come  
around and bite it  
(Girl) quit frownin up and quit actin like you don't like it  
(I like it) I know you like, (I like it)  
You really like it, (I really, really like it)  
(I want it), I know you want it, (adore it)  
Adore it, (so come with me enjoy it)

[Bridge]

[Chorus w/ ad-libs]

[Verse 3 - Nelly] w/ (Jaheim ad-libs)  
Shawty where you been feels like a long time  
Long, long time since I seen ya, yes it has girl  
And I know I said some dumb things to you before  
But girl you know I didn't mean it  
I didn't mean one single word, I never meant one  
single word  
If I could take back every word I would and more fa  
sho'  
If I thought that you believe it  
Hey, girl, cause you make my life so convinient for me
