Chorus

I'm a champion  
I trip up on em real slow  
Pen up in my hand  
And when I write ?  
I kill for  
I'm a champion  
Look at how my car shine  
Look at how the time fly  
G4, G4's

B.G.

Hello ladies and gentlemen - Welcome to the boys and girls-Come  
and ride with me - And we gon' take a trip around the world-You  
know the block is mine - I know you never seen a watch like  
mine-Keep that glock - You hear them shots when they done try to  
stop my shine-Laying in a G4 - Hop in a GT-Ride around watch  
these niggas tryna be me-No you can't but wish you could-I'm just  
too street - I'm just too hood-Gotta like my style - Gotta like my  
swagger-Everything you got believe I done had-Fall in the club -  
It's raining stacks-G by the club - They probably laugh-Oh yes, I'm  
chopper city - Whole Down South riding with me-Big Benzo sittin'  
pretty - Oh, you know how I'm livin'-I went from rags to riches -  
Went from riches to rags-They hollerin' "Dammit he back - He  
made it - Don't buy him cash"-----

Chorus

Layzie Bone

The nigga started off falling then I got on my toes-A  
nigga never  
looked back - Now I'm running you hoes-Gotta know  
whoever wanna  
ever oppose-About my cash flow - Nope, fin to black fo-  
fo -  
Yep-Ya'll really wanna test these nuts - Nigga what?  
What the fuck?  
- Wanna press up your luck-Soldiers from the 9-9 never  
give up -  
On my money-making mission and I can't get  
enough...Of this  
game (Fuck the fame) Give you lots of pull - Been a  
thug on the  
block - Been popular-Only takes one shot - Then you out  
the  
door-I'm a bonafide champ - Keep it locked and  
loaded-That's why  
I ain't playing witcha - No mercy - No, no, no pity-Real  
niggas I  
know they feel me - My thug in the chopper city-Only  
roll with them  
thoroughbreds - Yep - Real niggas that twirl heads,  
playa-See the  
5-50 hit the curb - You better ask yaself - Is the world  
fair?-Do the  
world care? - Shit, maybe it don't-No matter the case  
i'ma get what  
I want-Gotta be clean every first of the month - I'm a  
hustla with  
customers all at the door-That's right, still get it for the  
lo-lo - Still  
looking in the rear for the po-po-Still kick it in the heart  
of the  
ghetto - We champions, warriors and rebels-Better get  
on the level  
- Don't get it confused-I'm making major moves - Don't  
wanna  
have to fade you fools-I'ma tell you right now - Lil Lay  
don't  
lose-----

Chorus
