[Redman]

Yeah, ha ha, yo, I'm just smokin' on weed and shit  
How the fuck y'all feelin' out there? Fuck you!  
Play It How It Go Mixtape, Funk Doc in this motherfucker  
It's about three degrees outside but I don't give a fuck

Smokin' with my nigga B.G. and T.C.  
Til' a bitch come outta B.C. and be G  
Come from Uptown, I'm knee deep in wee-wee  
Be them hot niggaz but cool like your sea breeze  
Gilla House fucker, you know the name dogg  
I'll rob you with a gun filled with paintballs  
From Brick City out to the 504  
I'm lookin' for that purple in a hydro jar  
Doctor, I'm bout it bout it  
I'm really a gorilla in civilian outfit  
Cops on my ass, I'll bail a coupe  
Drop my gun like it's hot like Pharrell and Snoop

Brick City motherfucker  
Yo, Brooklyn motherfucker  
Yo, 504 motherfucker  
Yo, ATL motherfucker  
Yo, Californ' motherfucker  
Yo, Texas motherfucker  
Yo, V-A motherfucker  
Yo, Baltimore motherfucker
