There's no question what've brought me here to you
I can see it in the sky
A perfect dancer coming right out of the blue
You won't find me asking why (I can't do)
And it last than one hundred percent
Of something heaven-sent, yeah

So kiss me like you mean it
Tell me something true
'Cause I wanna believe in me and you
We're pieces in a puzzle
You're beautiful clue
So, let's forget the things we thought we knew
Kiss me like you mean it
Like it's the last thing you ever do

It's no wonder you keep crashing into me
'Cause I can see you're driving blind
This nothing more we can't fix easily, no
But I can ready your mind.
Any more than one hundred percent
Of something heaven-sent, yeah!

So kiss me like you mean it
Tell me something true
'Cause I wanna believe in me and you
We're pieces in a puzzle
You're beautiful clue
So, let's forget the things we thought we knew
Kiss me like you mean it
Like it's the last thing you ever do

You know that can't be no doubt
When I look in your eyes
of what this is all about
And I think it's time, I think it's time

I'll kiss you like I mean it,
I'll tell you something true
I'm ready to believe in me and you
We're pieces in a puzzle

You're beautiful clue

Kiss me like you mean it
Tell me something true
'Cause I wanna believe in me and you
We're pieces in a puzzle
You're beautiful clue
So, let's forget the things we've thought we knew
Kiss me like you mean it,
Like it's the last thing you ever do

The last thing you ever do, oh yeah!
kiss me, like you mean it...yeah
kiss me like you mean it, oh yeah
kiss me, kiss me...
ooh, ooh, like you mean it.
