I want to tell you, but there's so many words to say
I want to tell you, but the words get in my way
It's all there on the tip of your tongue
My hearts full brain goes numb

So I'll just ask you, do you?
I do, me too
So I'll just ask you, do you?
I do, me too

I promise I'll be there as the years go by
And I'll be faithful to you till the day I die
Just to have to hold your hand makes me the luckiest
man

So now I ask you, do you?
I do, me too
So now I ask you, do you?
I do

So many pieces of paper, crumpled up and thrown
away
So many after and later's, gotta get the nerve
(gotta get the nerve)

Why such crazy behavior?
Gonna say my vows today
Cant wait

Oohhh...
Ooohhh...
Oohhh...
Ooohhh...
Do you? I do
Me too
Oohhh...
Ooohhh...
Oohhh...
Ooohhh...
Do you? I do
Me too
