See the people they are drivin' in their cars,
Drivin' in their cars, drivin' in their cars tonight.
And all the people, they are gettning in their cars,
Underneath the stars, drivin' in their cars tonight.
And everybodys leavin', a million breaks are
screechin',
No one knows where their going to...

And I just wanna fall in love.
Take a walk and fall in love,
And I just wanna fall in love fall.
Take a walk and fall in love,
Take a walk and fall in love.

See the people they are rollin' in their cars,
Cruisin' in their cars, drivin' in their cars tonight.
See the people they are drivin' in their cars,
Drivin' in their cars, drivin' in their cars tonight.
All the people they are jangaling their keys,
Standing at their doors, getting in their cars tonight.
The signals green, I'm movin',
The radio is groovin', and everybody likes to sing
songs...

And I just wanna fall in love.
Take a walk and fall in love,
And I just wanna fall in love.
Take a walk and fall in love,
Take a walk and fall in love.

Yeah, yeah, yeah, yeah.
(Yeah) I'm dreamin' about you, (you)
I'm dreamin' about you, (you)
We're layin' in the sun,
With sunblock burnin',
on, and on, and on, and on, and on,
Yeah, yeah, yeah.

And I just wanna fall in love.
Take a walk and fall in love,
And I just wanna fall in love.

Take a walk and fall in love,
Take a walk and fall in love.

And I just wanna fall in love.
Take a walk and fall in love,
And I just wanna fall in love.
Take a walk and fall in love.
Let's take a walk and fall in love, (walk and fall in love)
Let's take a walk and fall in love...
