Verse 1

When the lala hits

The lyrics jus splits you

Head so hard that ya hat can't fit you

Either I'm with ya or against you

Form that bent you

Back thru the maze I sent you

Talkin to tha rap inventor

Nigga wit the game tight

Fit that flame right

Spell my name right

b i double g i e

Iced out lights out

Me and Cees a leaah

Gettin head from some chick he kno

See its all about the chedda

Nobody do it betta

Goin back tah cali

Strictly for tha weatha

Women, and the weed

Stinky green

No cees bitch please

Poppa ain't soft

Get up in the hood

Ain't no love lost

Got me mixed up

You drunk them lics up

Mad cuz i got my dick sucked

And my balls licked

Forfeit

The game is mine

I'ma spell my name one more time

Check it

Its the

n-o--t-o--r-i--o--u-s

You just

Lay down

Slow

Recognize a real don when you see juan

Sippin on booze in the house of blues

Chorus 4x

I'm going going...back back...to Cali Cali

Verse 2

If I got choose a coast I got to choose the East

I live out there, so don't go there

But that don't mean a nigga can't rest in the West

See some nice breasts in the West

Smoke some nice cess in the West

Y'all niggaz is a mess

Thinkin i'm goin stop

Givin L.A. props

All I got is beef with those that violate me

I shall annihilate thee

Case closed

Suitcase filled with clothes

Linens and things

I begin things

People start to flash

818s, 213s, 313s

B.I.G.

Frequently floss hoes at Rosco's

If I wanna sport her

Take her to Fatburger

Spend about a week on Venice Beach

Sippin Crisco

With some freaks from Frisco

Chorus 4x

Verse 3

Cali got gunplay

Models on the runway

Scream biggie biggie gimme one more chance

I be whippin on the freeway

The NYC way
On the celly-celly with mah homeboy lance
Pass hash from left to right
Only got 5 blunts left to light
I'm set tonight
Paid a visit to Versace stores
Lets see somethin till I aint got no more
Only in L.A.
Motherfuckin 'zelay
Rub it in they tummy
Lick it, say its yummy
Then fuck yo man
Fuck yo plans
Is it to rock tha tristate?
Almost gold
5 gz and showgate
Or do you wanna see about 7 digits
Fuckin hoes
Exquisite
Cali...great place to visit
Chorus 4x
