Puff Daddy]

Yo let, let, let me ask you a question yo

Yo would you kill for me?

[Girl]

Hmmm... yeah

[Puff Daddy]

What took you so long to answer motherf*cker?

[Girl]

I don't know

[Puff Daddy]

The f*ck wrong with you b*tch?

Verse One: Notorious B.I.G.

When I met you I admit my first thoughts was to trick

You look so good huh, I suck on your daddy's d*ck
(yeah)

I never felt that way in my life

It didn't take long before I made you my wife (uh, yeah)

Got no rings and sh*t, just my main squeeze

Come into the crib, even had a set a keys

During the days you helped me bag up my nickels

In the process, I admit, I tricked a little (yeah)

But you was my b*tch, the one who'd never snitch (uhh)

Love me when I'm broke or when I'm filthy f*ckin rich

And I admit, when the time is right, the wine is right

I treat you right, you talk slick, I beat you right

Chorus: Notorious B.I.G.

Just me and my b*tch (variations repeat to next verse)

[Girl]

But you know you love that a\$\$, don't you?

[Puff Daddy]

Yeah, no question

[Girl]

No question

[Puff Daddy]

Yo, let me ask you another question

[Girl]

What?

[Puff Daddy]

You ever f*ck around on me?

[Girl]

Why would I do that?

[Puff Daddy]

Yo don't lie to me motherf*cker

Verse Two: Notorious B.I.G.

Moonlight strolls with the hoes, oh no, that's not my
steelo

I wanna b*tch that like to play celo, and craps

Packin gats, in a Coach bag steamin dime bags

A real b*tch is all I want, all I ever had (yeah, c'mon)

With a glock just as strong as me

Totin guns just as long as me, the b*tch belongs with
me

Any plans with another b*tch, my b*tch'll spoil it

One day, she used my toothbrush to clean the toilet
(that's nasty)

Throwin my clothes out the windows, so when the wind
blows

I see my Polos and Timbos

Hide my car keys so I can't leave

A real slick b*tch, keep a trick up her sleeve

And if I deceive, she won't take it lightly

She'll invite me, politely, to fight G

And then we lie together, cry together

I swear to God I hope we f*ckin die together

Chorus

[Girl]

Let me tell you nigga, if I ever, ever catch your a\$\$
f*ckin around

I'ma cut your mother-f*ckin d*ck off

[Puff Daddy]

Hah, heheh stop playin, hah

[Girl]

I ain't playin, ain't no jokes, ain't no jokes

Ain't no jokes

[Puff Daddy]

Yo, don't don't play with my d*ck

Verse Three: Notorious B.I.G.

She helped me plan out my robberies on my enemies

Didn't hesitate to squeeze, to get my life out of danger
(yeah)

One day, she put nine one one on the page

Had to call back, whether it's minor or major (yeah)

No response, the phone just rung

Grab my vest, grab my gun, to find out the problem

When I pulled up, police was on the scene

Had to make the U-turn, make sure my sh*t was clean

Drove down the block, stashed the burner in the bushes

Stepped to police with the shoves and the pushes

It didn't take long before the tears start

I saw my b*tch dead with the gunshot to the heart

And I know it was meant for me

I guess the niggaz felt they had to kill the closest one
to me (uh, yeah)

And when I find em your life is to and end

They killed my best friend... me and my b*tch

Chorus

Uh, yeah, yeah

Uh...

Uh, motherf*cker yeah
