Sound of phone hanging up

*Biggie's daughter:

All you hoes, callin' here for my daddy get off his d*ck.

Like that Mommy?

(Answering machine beep in between each message
and the beat to "One

More Chance in the background.)

Message 1:

Hi daddy, how you doin', this is Tyiest, I was thinkin'
about you last

night, mmm, you actin' like you can't call me no more
cause you busy and

all that, but you tryina tell me it wasn't good?

Message 2:

That sh*t is real f*cked up what you did, I hooked you
up wit my girl

and sh*t you f*cked her 8 times you see her you don't
say SH*T to her

you know what I'm sayin? And all that b*tch do is call
me all day

talkin' bout you: "Why the f*ck do he don't want me?"

Message 3:

Yo Big this is Quita, Kenya told me she saw you and
Shana in the mall

and I know you ain't f*ckin' her. You f*cked with me last night that's my

best friend and we don't get down like that.

Message 4:

Yeah muthaf*cka this is Stephanie, I was waitin' outside for your a\$\$

for like a f*ckin' hour, I don't know what's goin on, muthaf*ckas tryina

raw me, you be dissapearin' and sh*t I'm waitin' in the cold, what the

f*ck is goin' on, when you get in give me a f*ckin' call, alright?

When it comes to sex, I'm similar to the thriller in Manila

Honeys call me Bigga the condom filler

Whether it's stiff tongue or stiff d*ck

Biggie squeeze it to make sh*t fit, now check this sh*t

I got the pack of Rough Riders in the back of the Pathfinder

You know the ep along by James Todd Smith

I get swift with the lyrical gift

Hit you with the d*ck, make your kidneys shift

Here we go, here we go, but I'm not Domino

I got the funk flow to make your drawers drop slow

So recognize the d*ck size in these Karl Kani jeans

I'm in thirteens, know what I mean

I f*ck around and hit you with the Hennessey d*ck

Mess around and go blind, don't get to see sh*t

The next batter, here to shatter your bladder, it doesn't matter

Skinny or fat or white-skinned or black, baby I drop

These boricua mommies screamin "Aiy papi!"

I love it when they call me Big Poppa

I only smoke blunts if they roll propa

Look, I gotcha caught up in the drunk flow

F*ck tae kwon do, I tote da fo'-fo'

For niggaz gettin mad cause they b*tch chose me

A big black motherf*cker with g ya see

All I do is separate the game from the truth

Big bang boots from the Bronx to Bolivia

Gettin Physical like Olivia Newt

Tricks suck my clique d*ck all day with no trivia

So gimme a hoe, a bankroll and a bag of weed

I'm guaranteed to f*ck her till her nose bleed

Even if your new man's a certified mack

You'll get that H-town in ya, you'll want that old thing
back

Oh Biggie gimme one more chance

I got that good d*ck girl, ya didn't know

(Repeat)

Is my mind playin tricks, like Scarface and Bushwick

Willie D, havin nightmares of girls killin me

She mad because what we had didn't last

I'm glad because her cousin let me hit the a\$\$

F*ck the past let's dwell on the 500 SL, the E and J and
ginger ale

The way my pockets swell to the rim with Benjamins

Another hon's in the crib, please send her in

I f*ck nonstop, lick my lips alot, used to lick the clits
alot

But lickin clits had to stop

Cause y'all don't know how to act when the tongue go
down below

Peep the funk flow, really though

I got the cleanest meanest penis, ya never seen this
stroke of genius

So take off your Tim boots and your bodysuit

I mean the spandex and hit my man next

Sex gettin rougher when it come to the nut buster

Pu\$\$y crusher, black nasty motherf*cker

I don't chase em, I replace em

and if I'm caressin em, I'm undressin em

F*ck whatcha heard who's the best in New York

For fillin fantasies without that nigga Mr. Rourke?

Or Tattoo I got you wrapped around my d*ck

And when I'm done I got to split sh*t

Back shots is my position, I gotcha wishin for an
intermission

F*ck the kissin, lickin down to your belly button, I ain't
frontin

They don't call me B.I.G. for nuttin, all of a sudden

Oh Biggie gimme one more chance

I got that good d*ck girl you didn't know
