Verse One:

Who shot ya?

Seperate the weak from the ob-solete

Hard to creep them Brooklyn streets

It's on nigga, fuck all that bickering beef

I can hear sweat trickling down your cheek

Your heartbeat soun like Sasquatch feet

Thundering, shaking the concrete

Finish it, stop, when I foil the plot

Neighbors call the cops said they heard mad shots

Saw me in the drop, three in the corner

Slaughter, electrical tape around your daughter

Old school new school need to learn though

I burn baby burn like Disco Inferno

Burn slow like blunts with ya-yo

Peel more skins than Idaho potato

Niggaz know, the lyrics molestin is takin place

Fuckin with B.I.G. it ain't safe

I make your skin chafe, rashes on the masses

Bumps and bruises, blunts and Landcruisers

Big Poppa smash fools, bash fools

Niggaz mad because I know that Cash Rules

Everything Around Me, two glock nines

Any motherfucker whispering about mines

And I'm, Crooklyn's finest

You rewind this, Bad Boy's behind this
