We're International! so International...  
We're International.. so International

Who would have thought as my story unfurled  
That I would wake up with friends all over the world?  
Starting here in the US and Canada...  
Best believe I'm the world's biggest fan of ya  
I've got love for Brazil...  
'Cause all my girls down there keep keeping it real  
From Russia with Love my way  
And the U in my I LOVE U goes to the UK

You hold it down like New York City  
(I know you're 'bout it)  
Tight like Los Angeles  
(I'm proud about it)  
Back home like ATL  
(I never doubt it)  
Ohh, it's international love  
Ohh, it's international love

To all my mates out there with support from Australia  
To the Netherlands, more love than I can tell ya  
Where you at on the map... I'm still learnin' B  
But big ups to all my friends in Germany  
In France they say Matty (Bwah)  
So I say, "Voulez-vous le rap avec moi?"  
(Will you rap with me?)  
They're so sweet in Sweden...  
And uh... the Philippines keep Matty Believin'  
Got friends all over the place  
and we're all sorts of different but our love's the same  
And maybe.. one day when we meet I'll tell ya... say  
there's nothing like the ATL! (shorty)

You hold it down like New York City  
(I know you're 'bout it)  
Tight like Los Angeles  
(I'm proud about it)  
Back home like ATL  
(I never doubt it)

Ohh, it's international love  
Ohh, it's international love

You hold it down like New York City  
(I know you're 'bout it)  
Tight like Los Angeles  
(I'm proud about it)  
Back home like ATL  
(I never doubt it)  
Ohh, it's international love  
Ohh, it's international love
