i fell in love with the silence
you brought to my ears
far away from all the screaming
away from my childish fears

you're the one i chose,
what i want the most
no matter the difficulties or the cost

it's the first time i've ever felt alive
finally i'm ready, dare me to try
for you i've been waiting all of my life
for you i've been waiting all of my life

i fell in love with the truth
glimmering through your eyes
as pure as your honest soul
you saw behind my disguise

you're the one i chose,
what i want the most
no matter the difficulties or the cost

it's the first time i've ever felt alive
finally i'm ready, dare me to try
for you i've been waiting all of my life
for you i've been waiting all of my life

it's the first time i've ever felt alive
finally i'm ready, dare me to try
for you i've been waiting all of my life
for you i've been waiting all of my life
