Only a sip of your freedom
could make every person re-think their ways
I was chained before I met you
and you brought out my inner hell

You stood calm when everybody ran
searching for someone
To lean on

So beautiful
Unreachable
You were perfect
And I loved you

You always had a reason to celebrate
and I bet you're still doing all the same things
baby, without every doubting
You'll end up at heavens gate

I dont know why but it makes me shiver
to think about those days
I remember

So beautiful
Unreachable
You were perfect
And I loved you

I remember kissing all of your innosence
and finding out I was wrong
And I still hang on to that moment
The day that we were one
And I hold on,
I hold on, I hold on,
Remembering your sound

So beautiful
Unreachable
You were perfect
And I loved you

Beautiful
And unreachable
And you are perfect
And I love you
