"Breathe On Me"

hear my whisper
how this feels
a rush of passion
coming through
only to leave me breathless
waiting for you

breathe on me
make this go on and on
dont ever let it stop
i'm reaching to the top
baby, breathe on me

a game where i
begg you to stay
hands on my body
lips tasting skin
my heartbeat's going fast
please, begin

breathe on me
make this go on and on
dont ever let it stop
i'm reaching to the top
baby, breathe on me

take it slow
to move down low
make me scream your name
the best way you can
we have a ll night
baby, breathe on me

breathe on me
make this go on and on
dont ever let it stop
i'm reaching to the top
baby, breathe on me
breathe on me
make this go on and on
dont ever let it stop
i'm reaching to the top

baby, breathe on me
