when you hold me in your arms  
all i demand is for you  
to understand  
i might be a little crazy  
begging on my knees  
but when the storm comes  
will you be mine to keep?

and everytime the rain falls  
i find myself afraid  
like a lillte child, i still hide away  
and it breakes my heart,  
i'm falling in and out  
everytime you let go of my hand

tell me if you see it  
when you look into my eyes  
all i need is for you  
to understand  
this might sound strange  
but you break through my walls  
and in my safetyplace  
you're always beside me

and everytime the rain falls  
i find myself afraid  
like a lillte child, i still hide away  
and it breakes my heart,  
i'm falling in and out  
everytime you let go of my hand

i cant hold back when you reach out your hand  
but when you let go, it breakes my heart,  
i'm falling in and out  
everytime you let go of my hand

and everytime the rain falls  
i find myself afraid  
like a lillte child, i still hide away  
and it breakes my heart,  
i'm falling in and out

everytime you let go of my hand
