you sad it was something
you couldnt explain
as if your charade broke down
tears came falling down
your sweet face

i was told that evey one makes misstakes
we cheat and we lie and we pretend
everything's gonna be OK

but you,
you're my hero
the one who never falls
you couldnt be wrong
'cause all you do is right
you're the reason to my life
the one i lay my trust on
you've never done wrong
somehow you're always right
and when everybody else is gone
we'll still belong to each other

you told me about the lies
how you fooled me
and as if your heart broke in two
you cried out to me
to get my comfort

i won't say i'm not sorry 'cause i never lie
you're the fool who was pretending
everything's gonna be OK

you're my hero
the one who never falls
you couldnt be wrong
'cause all you do is right
you're the reason to my life
the one i lay my trust on
you've never done wrong
somehow you're always right
and when everybody else is gone

we'll still belong to each other

who are you?

and what have you done to the man i ones loved

the stories we shared, the dreams we planned

who are you?

i dont recognise you

who are you?

i used to depend on you

you're my hero

the one who never falls

you couldnt be wrong

'cause all you do is right

you're the reason to my life

the one i lay my trust on

you've never done wrong

somehow you're always right

and when everybody else is gone

we'll still belong to each other
