i'm sorry i was gone
the day you fell apart
i'm sorry i left you
to bleed on your own
i'm sorry i never asked you why you were crying

i don't wanna know how you felt that day
i don't wanna know why you chose that way
i don't wanna know what you thought of
i dont wanna know why you couldn't tell us

i'm sorry i wasn't there
to lend you my hand
i'm sorry i ran away
and left you in it
i'm sorry i never asked you why you were crying

i dont wanna know why you decided to do it
if it was the only way for you to get through it
i dont wanna know if you felt anger or sadness
i dont wanna know if it made you cry more or less

and the truth is that i couldn't love you
it made me too afraid
and the truth is that i couldn't love you
it made me too afraid
and the truth is that i couldn't love you
it made me too afraid
and the truth is that i couldn't love you
it made me too afraid

i don't wanna know how you felt that day
i don't wanna know why you chose that way
i don't wanna know what you thought of
i dont wanna know why you couldn't tell us

i watched you break into someone else
i dont wanna know why you couldn't tell us
i was blind, too caught up in my own misery
i dont wanna know why you couldn't tell us

and the truth is that i couldn't love you
you made me so afraid
