like a ship on troubled water  
you were the waves that pulled me down  
the words you threw at me  
was the best i've ever heard  
the lies you gave to me  
was everything we shared

if you've never been in love  
this may seem to you a little bit odd

'cause i lied to myself to make it feel like it was real  
and when you gave me nothing  
it was all i had  
i tried to tell you i'll always need you like i do now  
and baby, it should be illegal  
to break a heart like you've done

someone should shut you ut  
never lend a hand when you're reaching out  
give you lies and stupidity  
and never go to bed with you  
break your bones one by one  
leave you when you love someone

if you've never been in love  
this may seem to you a little bit odd

'cause i lied to myself to make it feel like it was real  
and when you gave me nothing  
it was all i had  
i tried to tell you i'll always need you like i do now  
and baby, it should be illegal  
to break a heart like you've done

i lied to myself to make it feel like it was real  
and when you gave me nothing  
it was all i had  
i tried to tell you i'll always need you like i do now  
and baby, it should be illegal  
to break a heart like you've done
