I wanna be there when you see through my disguise  
and decides to hold me closer, as I cry  
I've lived too hard to be easy, in your belong I want to  
grow  
so let me explore you, I'd never turn my back and go

In your eyes everything becomes alive  
In your eyes

I want to hold you near me when my heart is breaking  
you speak to me with one look, and I try  
The more I learn, the more I want you, the further I  
travel, I need you  
so let me love you, I'd never turn my back and go

In your eyes everything becomes alive  
In your eyes

In your eyes everything becomes alive  
In your eyes

In your eyes everything becomes alive  
In your eyes
