i can feel your heartbeat close  
as your body's upon mine  
it takes awy the pain.  
it's hard to explain  
but i'm falling faster than the speed of light,  
into you

you have a place inside of me  
a place where we're free  
where you seem to erase  
every fear i've ever faced  
and i'm falling faster than a falling star,  
into you

like a leaf waiting to hit the ground  
i'm waiting for you  
to take me down

everything you do seduces me  
it just fills me up inside  
one touch of your hand  
and i'll do all you demand  
and i'm falling faster than ever before,  
into you

like a leaf waiting to hit the ground  
i'm waiting for you  
to take me down  
like a leaf waiting to hit the ground  
i'm waiting for you  
to take me down
